About the Company

Titanium Capital Group (TCG) is a renowned developer with major projects worldwide. We pride ourselves on being selective. We use only the finest material, and work with the most reputed suppliers, engineers, architects, and designers.

Additionally, “NEW CARTHAGE” Development Project is being built on our own land; the matter that provides for great degree of flexibility and value, which we pass onto our patrons and clients. Make your move today to reserve your property.

About the project

Situated in the heart of Romania*, an exclusive community is being built to offer its residents a refined lifestyle. “NEW CARTHAGE” encompasses 777 villas, a hotel, camping and hiking site, restaurants, pharmacy, a gas station, a commercial center, and other featured facilities.

“NEW CARTHAGE” is located along a major highway, connecting Germany with the Black Sea, thus making it a prime location with great appreciation potential.
